*Colour Selection: A=Amber, B=Blue, R=Red, G=Green, C=Clear

The Banshee Ex LED Beacon S3 is suitable for applications in underground and surface mining or areas where an explosion-protected device is necessary. The unit consists of an electroplated mild steel housing fitted with a clear polycarbonate lens, which houses forty high-bright LEDs, ensuring heightened visibility. The beacon offers three different LED output modes, namely static, flashing, or rotating which can be selected by the end user.
